Subject: Registration for the SouthPole-sium v.2 begins!

Dear Antarcticans - Dear Bibliophiles - Dear Caledophiles,

Today, 30 June 2014, **Registration** for the **SouthPole-sium v.2** begins!

Come to **Craobh Haven, Argyll, Scotland** for the second SouthPole-sium, **1-4 May 2015**, less than a year from now.

There is a wealth of information on the gathering and on its location at <http://www.antarctic-circle.org/gathering2.htm>

Attached is the **Registration form**. The cost will rise on 1 January 2015 so registering early is an advantage. (If you cancel up to a week before, you'll receive a full refund.)

Attendance will be limited to 100. Those who have expressed interest in recent months and a few others are listed below and will receive this e-mail. If you know of others who should be added either forward this on or let us know.

This will not be a typical conference. If you were at the first one in Jaffrey, New Hampshire, in 2012 you'll know what we mean. It will be casual and fun. The emphasis will be on discussion. All are invited to make short, non-scholarly presentations on Antarctic subjects of interest to them. All are encouraged to bring something to "show and tell:" a book, photograph, letter, artifact, or painting. It will be an informal gathering and there will be plenty of opportunities to enjoy good food, drink and conversation. And it is being held in a beautiful part of the world with many things to do before, during and after the gathering.

Every month or so we will send you a follow-up e-mail to pass on new information and to update you on the numbers.

There will also be the occasional post on our Facebook page at www.facebook.com/theantarcticcircle

So we look forward to seeing many of you in Scotland next May. In the meantime, e-mail me if you have any questions.

As people register, their names will be added to the website at <http://www.antarctic-circle.org/gathering2-registered.htm>

Regards,

Rob Stephenson (*Jaffrey, New Hampshire*) and Falcon Scott (*Craobh Haven, Argyll*)

This e-mail has been sent to those listed below (feel free to forward it to anyone else you think would be interested).

NOTE: If you would prefer *not* to receive future e-mails about the SouthPole-*sium*, just reply and we'll remove you from the list.
